The numbers which are divided by three and not divided by two

In this section we will first determine the numbers which are contained in the index of Qur'ān that are divided by three and not divided by two. Then, we will investigate whether a mathematical harmony exists between them or not.

In the following list, the numbers contained in the index of Qur'ān which are divisible by three and not divisible by two are marked:

No.	Surah	Ayat	No.	Surah	Ayat
1	Al-Fātiḥa	7	58	Al-Mujādalah	22
2	Al-Baqarah	286	59	Al-Ḥashr	24

List-69

✐   Now, let us divide the numbers contained in the index of Qur'ān according to their homogeneity with respect to "divisible by three and being not divisible by two".

✎   Example for the surahs with homogeneous sequence numbers and number of ayats:

9   Al-Tawbah   129

Al-Tawbah is a homogeneous surah. Forwhy, both the sequence number and the number of ayats, meet the condition of "divisible by three and not being divisible by two". Therefore, al-Tawbah surah is homogeneous in this respect.

1   Al-Fātiḥa   7

Surah al-Fātiḥa is also a homogeneous surah. Forwhy, neither the sequence nor the number of ayats, meets the condition of "divisible by three and not being divisible by two". Therefore, al-Fātiḥa surah is homogeneous in this respect.

✎   Example for the surahs of which their sequence numbers and number of ayats are not homogeneous:

21   Al-Anbiyā   112

The sequence number of al-Anbiyā surah meets the condition of "divisible by three and not being divisible by two", whereas it's number of ayats does not cover this condition. Therefore, al-Anbiyā surah is not homogeneous in this respect.

6   Al-En'ām   165

The number of ayats of al-En'ām surah meets the condition of "divisible by three and not being divisible by two", whereas it's sequence number does not cover this condition. Therefore, al-En'ām surah is not homogeneous in this respect.

List-72

There are **42** surahs in List-72

Figure-12 The equal distribution of the homogeneous surahs is seen.

Evaluation

The surahs which are homogeneous with regard to "divisibility by three and not being divisible by two" of the sequence numbers and the number of ayats are distributed in equal numbers in the first and second half of Qur'an.

What about the non-homogeneous surahs?

Now, let's examine the non-homogeneous surahs with the same approach.

www.symmetricbook.com

The set of surahs which are non-homogeneous with regard to "divisibility by three and not being divisible by two" of the sequence numbers and the number of ayats.

92	Al-Layl	21	111	Tabbat	5
93	Al-Ḍuḥa	11			

List-75

There are **15** surahs in List-75

www.symmetricbook.com
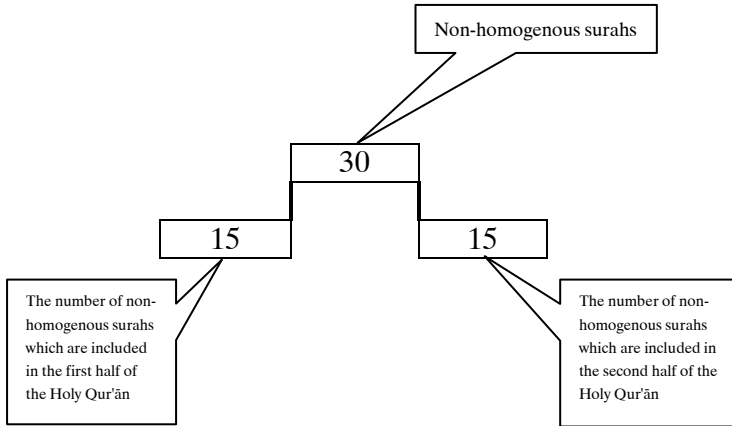

Figure-13 The equal distribution of the non-homogeneous surahs is seen.

Evaluation

The surahs which are not homogeneous with regard to "divisibility by three and not being divisible by two" of the sequence numbers and the number of ayats are also distributed in equal numbers in the first and second half of Qur'an.

Let's see the results which outcome collectively:

ﷺﷺﷺ

ذلك بأن الله نزل الكتاب بالحق وإن الذين اختلفوا في الكتاب لفي شقاق بعيد

"That is because Allāh has sent down the Book in truth. And verily, those who disputed as regards the Book are far away in opposition"

(Al-Baqarah/176)
